Rev Level	Comments/notes	Date	Revised By
-	First release of this procedure	26 Oct 2004	P Shestople

1 Purpose

This procedure is for GP-B internal tracking. This procedure documents data released to non-GP-B personnel and verifies that the recipient has read and signed the GP-B Publicity and Publication Policy and Directive for Science and Engineering Data Security (P1083 Rev A).

2 Data Description

Name of data recipient:
Verify that the recipient has read and signed GP-B disclosure policy, P1083 <input type="checkbox"/> Yes <input type="checkbox"/> No If No, has the disclosure policy been waived by the Science Working Group? <input type="checkbox"/> Yes <input type="checkbox"/> No Has the recipient been explicitly informed that GP-B reserves the right to review publications? <input type="checkbox"/> Yes <input type="checkbox"/> No Has a form P1086, GP-B data request and distribution worksheet, been completed? <input type="checkbox"/> Yes <input type="checkbox"/> No
Recipient's Institution/Address:
Name of Stanford University point of contact:
Rationale for data release:
Description of data (include mnemonic names, database level, time interval and cycle of data): Is the data science data? Yes <input type="checkbox"/> No Is the data engineering data? <input type="checkbox"/> Yes <input type="checkbox"/> No

3 Procedure Completion

We agree to release the above data to the recipient named above.
